

CLK Lockers

Specification

BISLEY

Having somewhere to keep your personal things safe gives peace of mind and puts you in control.

Whether you're mobile or office-based, keeping your environment organised and clutter-free makes for a more productive workplace.

CLK Lockers by Bisley are a smart and cost-effective personal storage solution that are suitable for all work environments.

Care has been taken with the design of the CLK Lockers. An elegant aesthetic is achieved with the clean lines and concealed hinges.

As well as standard lockers, the range includes the CLK Locker Cube, a single compartment locker that can be stacked, allowing you to fully utilise the space available.

Where multiple CLK Locker columns are created, they can be ganged together to offer greater stability and neat installation.

Features

Available with up to six individual locker compartments per column.

CLK Lockers and Locker Cubes are available in two depths.

Option to bolt multiple columns together.

Discreet label holder on every door.

Each locker has ventilation holes in the top and base allowing air to circulate.

Choice of locking options; hasp, coin return, combination and digital.

Single door lockers include an internal shelf and fixed hook/coat rail for multiple hangers.

Two door lockers include a fixed coat hook.

Option to add sloping tops.

Carcase, external doors and internals all one colour.

Concealed hinges for an immaculate finish.

Minimum five-year guarantee.

Made in the UK.

Benefits

Secure – With a key lock included as standard, you can choose to upgrade to coin return or hasp locks. Digital and combination locking solutions are also available, contact your Bisley representative for details.

Sturdy – Hand-built to last, the steel carcass, doors and internals make for durable storage of personal items.

Buildable – Easily bolt multiple locker columns together or build up with CLK Locker Cubes as required.

Colourful – External doors and carcasses can be finished in a choice of 12 colours to suite in with your brand and create a bright, welcoming personal storage area.

Quality design – Designed with an attention to the details, with the clean lines and concealed hinges to create a seamless finish.

Range Overview

All lockers are available in two depths, 305mm (12") and 457mm (18")

Lockers

W: 305mm (12")

Product Code	Description	Height

CLK122

Specification Notes

Locking Options:

All CLK Lockers are listed with AB locking.

For the below alternative locking options, please use the relevant suffix, for example:
For factory fitted Hasp lock: CLK121 becomes CLK121**P**

P (Hasp)

For 'Same lock number' on AB locking, please add suffix '**X**' to original code, for example:
CLK121 becomes CLK121**X**

For other locking options, please speak to your Bisley representative.

Finish Options:

CLK Lockers are available in the Classic paint palette.

For alternative paint finishes the following surcharges apply.

Performance paint palette

Performance paint palette = +5%

Vision paint palette

Vision paint palette = +10%

Optional extras:

Sloping tops are available for larger orders of CLK Lockers. Please contact your Bisley representative for more information.

Internal Compartment Dimensions

305mm (12") deep lockers compartment depth = 274mm (10.8")

457mm (18") deep lockers compartment depth = 426mm (16.8")

Locker compartment width = 240mm (9.4")

Please note: The above listed internal dimensions are based on the individual locker compartment size.

Please see internal compartment heights listed below.

H: 429mm (16.9")

H: 1703mm (67")

H: 847mm (33.3")

H: 416mm (16.4")

H: 275mm (10.8")

*H: 404mm (15.9")

*H: 263mm (10.4")

Where two internal heights are listed, the first height is for the top and bottom locker compartments only.
